**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in Alameda County, California and really want more options in my internet service! I have only two choices right now and both require that I buy services I don't want and enter into a contract that is too long for my preferences. I want more choices! I also would love a landline again but can't afford it from the two big companies. Please do whatever you can to foster broadband competition so hardworking people like me can access the benefits of the internet that we want! Thank you for considering my message.
